SEINÄJOKI JOINT MUNICIPAL AUTHORITY FOR EDUCATION SEDU

Sedu Strategy 2016-2020

OUR VISION

SEDU - forerunner in vocational competences in Finland and abroad

- educates and trains competent professionals and masters
- creates entrepreneurship
- motivates for internationalization and working at global networks
- pioneers in digital competence.

OUR VALUES

CUSTOMER ORIENTATION

- For us the customer comes first
- We aim at meeting the needs of both the students and the work life

RESPONSIBILITY

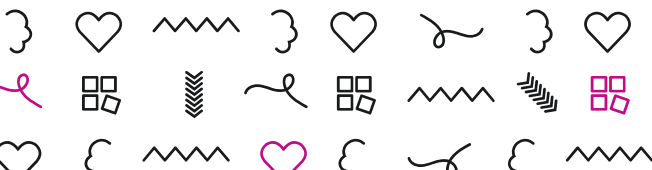

- We do what we promise.
- We care for people, work and environment and encourage good manners.

EXPERTISE

- We are competent and aim for constant renewal.
- We expect high performance in professional skills.

OUR MISSION

Sedu educates competent professionals and participates in reforming the working life of the region.

Strategical programmes

Goals for 2020

STUDENT AND STAFF WELL-BEING

- Students' individual and flexible study paths. Possible to proceed to work placements and to competence demonstrations as soon as skills are acquired.
- United and motivated personnel is coaching the learning process in multifaceted learning environments

POSSIBILITIES OF DIGITALIZATION

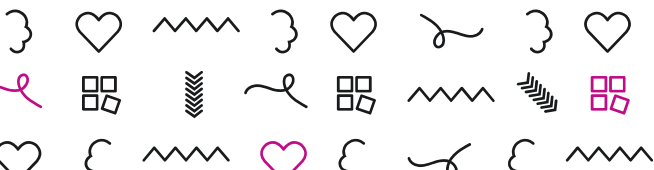

- Ensuring flexible ways to study and work regardless of time or location. i.e. O365, Moodle, BYOD, Flipped Classroom.
- Digital competences for whole Sedu personnel > Open badge training (bronze-, silver-, gold-level)

WORK LIFE CO-OPERATION

- Sedu is a wellknown educational operator in the region. Close co-operation with working life ensures customer-based
- Sedu partnership model (each partner is managed and being taken care of by Sedu, every teacher has a role in work-life co-operation)
- Training agreement, apprenticeship contract
- Sedu international co-operation

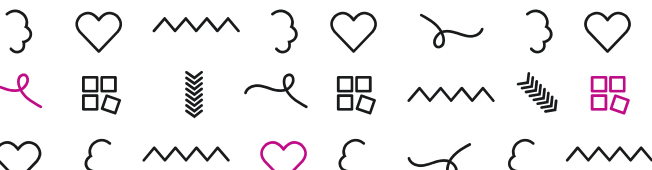

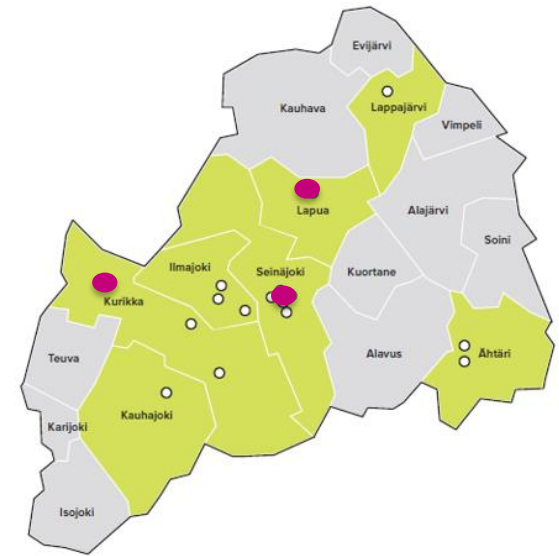

RESOURCES

- "Less money!" > adapting to the changes in education funding > Sedu 11 000 000 €
- New Campus model > gaining efficiency in the use of school facilities (i.e. High School cooperation)

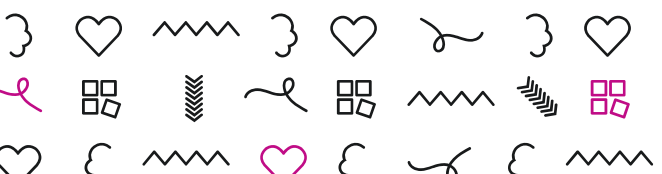

Modern premises

- Kurikka: New campus in January 2019 – cooperation with high school
- Updating the campus in Lapua – cooperation with high school
- New school farm in Ilmajoki – cooperation with a company
- 3 modern campuses in Seinäjoki by 2021

"From standard portions to a la carte"
